

**Engineering works only: Does not include compounds, landscaping, environmental mitigation or walking cycling and horse-riding routes.**

**Maps only show the extents of the engineering works associated with the road in relation to your land. There is still work for us to do in terms of areas such as compound locations and landscaping which may change the overall impacts. Further consultation with impacted landowners and interests on the areas outlined above will be held from mid-February. We will continue to engage on other emerging areas such as environmental mitigation to ensure you are aware of our final proposals before we submit our Development Consent Order application.**

Environment - Existing	Engineering and Construction
▲ Listed Buildings	● Variable Message Sign (VMS)
● Ancient Tree Inventory	— Culvert
— Public Right of Way	— Structure
— Sustrans National Cycle Network	— Hardstanding
■ Buildings	■ Verges and Earthworks
