Moor Farm junction Options consultation Consultation response form

Join the conversation and have your say
June - July 2026

Section 1: Introduction

Thank you for taking part in our public consultation. We want to understand your views about the proposed options for the A19 Moor Farm junction.

Your feedback is important to us and will be considered as we continue to develop the project, alongside information and findings we gather from further surveys and assessment work.

This consultation will help to inform the selection of a preferred option for the junction, specifically between Option D and Option E. It will also guide elements of the detailed design for the selected option. At this stage, we are seeking your views on what matters most to you, and what factors you believe should be considered in selecting the preferred option. The scope and physical extent of the scheme, as well as the overall project aims, have already been established and are not part of this consultation.

You can share your views with us by completing this response form here or online at <https://nationalhighways.citizenspace.com/he/a19-moor-farm-junction-options-consultation/>. Before completing this response form, we recommend that you first read the project consultation brochure and other supporting information.

If you're returning this form to us by post, please follow the instructions below.

We'd like to hear what you think, so please share any ideas, local knowledge, or concerns that you may have about our proposals by responding to our consultation using this form. The consultation period will run from **Tuesday 16 June and end at 11.59pm on Tuesday 28 July 2026**, so please return your feedback to us in good time to ensure it is considered whilst we develop our proposals. Please note that feedback received after this date may not be considered.

You can respond to our consultation using one of the following methods.

Online: complete the response form online at <https://nationalhighways.citizenspace.com/he/a19-moor-farm-junction-options-consultation/>

Email: A19moorfarm@nationalhighways.co.uk

Hard-copy: complete a consultation response form (available at our events, at local venues or on request) and return it by post to: Freepost A19 MOOR FARM JUNCTION (no stamp required)

In person: complete a copy of our printed feedback form and give it to a member of staff at one of our consultation events.

All responses should be submitted by 11:59pm on Tuesday 28 July 2026.

Please see page 6 of the consultation brochure for more information about this consultation, including our events and how to view our consultation materials.

When completing this response form, it would be very helpful if you could support your responses with additional explanation and detail. If you want to provide further information to support your responses to our questions, please reference the question it relates to. This will help us to understand the basis for your answer, inform our assessment of your feedback and help us to accurately reflect what you have said in the Consultation Report.

In the interests of transparency, it is our intention to publish a summary of responses received during this consultation on our dedicated A19 Moor Farm junction Citizen Space webpage at <https://nationalhighways.citizenspace.com/he/a19-moor-farm-junction-options-consultation/> This summary will reflect the key themes and issues raised but will not identify individual respondents or reproduce personal responses.

In the event we are required by law to identify respondents and make a disclosure of your consultation response, to the extent we are legally permitted to do so, we will notify you prior to such a disclosure and will take into account all reasonable requests made by you in relation to the content of such a disclosure.

To get help with filling in forms or if you require alternative formats of our consultation materials, please call our Customer Contact Centre on **0300 123 5000** and tell us what help you need. They will put you in touch with a member of the Project Team to support your needs.

Section 5: Your data, your rights, our responsibility

On 25 May 2018, the United Kingdom General Data Protection Regulations (UK-GDPR) became law. The law requires National Highways to explain to you – consultees, stakeholders and customers – how your personal data will be used and stored.

National Highways adheres to the Gunning Principles, the UK Government's Consultation Principles, the Planning Act 2008 and the Highways Act 1980 as required and may collect personal data to help shape development of highways schemes.

Personal data collected by the project will be processed and retained by National Highways and its appointed contractors until the scheme is complete.

Under UK GDPR, you have the following rights.

- Right of access to the data (Subject Access Request)
- Right for the rectification of errors
- Right of erasure of personal data - this is not an absolute right under the legislation
- Right to restrict processing or to object to processing
- Right to data portability

If at any point National Highways plans to process the personal data we hold for a purpose other than that for which it was originally collected, we will tell you what that other purpose is. We will do this prior to any further processing taking place and we will include any relevant additional information, including your right to object to that further processing.

If you'd like more information about how we manage data, or request a copy of our privacy notice, or if you think your data has been misused or that we have not kept it secure, please contact our Data Protection Team by emailing dataprotectionadvice@nationalhighways.co.uk

If you're unhappy with our response, you can get advice or make a complaint to the Information Commissioners Office by visiting <https://ico.org.uk/make-a-complaint/data-protection-complaints/data-protection-complaints/> or by calling **0303 123 1113**.

All responses should be submitted by 11:59pm on Tuesday 28 July 2026

If you need help accessing this or any other National Highways information, please call **0300 123 5000** and we will help you.
