

**Notice of Consultation**  
**Proposed A27 Arundel Bypass**  
Section 47 Planning Act 2008  
Notice Publicising a Statement of Community Consultation

National Highways of Bridge House, 1 Walnut Tree Close, Guildford, GU1 4LZ proposes to make an application under section 37 of the Planning Act 2008 for a Development Consent Order authorising a new dual two-lane carriageway extending approximately 8 kilometres, located to the south of the existing A27. In the west, the Scheme will tie-in approximately 1 kilometre east of the A27/A29 Fontwell (east) roundabout to the west of Arundel. In the east, the proposed bypass will tie-in to the existing Crossbush junction which will be reconfigured. The Scheme aims to improve safety, reduce congestion by increasing capacity and protect the quality of the surrounding environment.

The Scheme is an Environmental Impact Assessment development ("EIA development"), as it falls within Schedule 1 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. As a result, an Environmental Statement will be submitted and published as part of the Application and a Preliminary Environmental Information ("PEI") Report will be published as part of the consultation material, along with a Non-Technical Summary of the PEI Report.

Before making our application, National Highways has a duty under section 47 of the Planning Act 2008 (as amended) (the 2008 Act) to consult the local community about the proposed application in accordance with its Statement of Community Consultation (SoCC).

The SoCC sets out how we will consult the local community about our proposals and how to get involved. We must also make the SoCC available for inspection by the public and publish this notice stating where and when the SoCC can be inspected. We must then carry out consultation in accordance with the SoCC.

A copy of the SoCC can be viewed free of charge at [www.nationalhighways.co.uk/a27arundel](http://www.nationalhighways.co.uk/a27arundel).

Following the publication of this notice and the SoCC, National Highways will undertake a statutory consultation and invite comments on the Scheme from **11 January 2022 to 11.59pm on 8 March 2022**.

This notice contains a summary of the consultation details and full details of the consultation can be found in the SoCC.

The consultation documents comprise:

- The consultation booklet
- Feedback form
- Plans and Map of the Scheme
- Preliminary Environmental Information Report (PEI Report)

- Preliminary Environmental Information Report Non-Technical Summary (PEI Report NTS)
- SoCC

Electronic and paper copies of all consultation documents will be available for inspection free of charge from 11 January 2022 to 8 March 2022 at a number of locations including: on our website, at document deposit locations, at consultation events, via post and via our virtual consultation room (see below for further details).

### Website

Copies of all consultation materials will be available online free of charge from **11 January 2022 – 8 March 2022** at [www.nationalhighways.co.uk/a27arundel](http://www.nationalhighways.co.uk/a27arundel) where there will be a direct link to the consultation webpage.

### Public consultation events

We have planned the following carefully managed events in line with government guidance. Hard copies of all consultation materials will be available at these events and members of the project

team will be on hand to chat. Where any public consultation event referred to is cancelled or rearranged for any reason, including Covid-19 restrictions, as much notice as possible will be given. Notice of any alternative arrangements (if any are reasonably considered necessary by us) will be given as soon as possible after the cancellation or rearrangement is made. This may include alternative dates, venues and/or arrangements for the submission of representations. We will inform you of any cancellations or rearrangements via methods such as the Scheme's website and localised advertising.
