Existing issues

A1. How concerned are you about the following issues on the A27 at Arundel?

Please select one option in each row.

Issue	Very concerned	Slightly concerned	Not concerned	Don't know	Not applicable
Journey times or journey reliability					
Congestion or delays at junctions					
Road safety					
Accommodating extra traffic from future housing and economic development without further congestion on the A27					
The effects of the A27 traffic on the environment					
Ease of turning onto or off the A27 from local roads					
Difficulty crossing the A27 on foot or cycle					
The displacement of traffic onto local roads to avoid the A27					
Connections along the coast and to other parts of the country					

A2. What would you say is the **single biggest problem** currently affecting the A27 at Arundel?

Please write in below.

Don't know No preference

A3. What specific local issues do you feel we should be aware of, in developing our options for the A27 at Arundel?

Please provide detail and examples to illustrate your answers.

A4. What type of journeys do you use the A27 at Arundel for most often?

Please select one.

Local (up to 10 mile trip) Longer distance (more than 10 miles trip)

A5. How often do you currently use the A27 at Arundel?

Please select one option in each row.

	Every day	5-6 days per week	3-4 days per week	1-2 days per week	Once a fortnight	Once a month	Several times a year	Less often/ never
Weekdays in the morning peak (0800-0900)								
Weekdays in the evening peak (1700-1800)								
Weekdays off-peak (all other times)								
Weekends (anytime)								
Holiday periods only								

A6. Do you agree or disagree that there is an overall need for a scheme to upgrade the A27 at Arundel to a dual carriageway?

Please select one option

Strongly agree	Agree	No feeling either way	Disagree	Strongly disagree	Don't know

Proposed Options

B1. Do you believe the proposed options will meet the scheme objectives?

Please refer to the information and drawings describing the 3 options. Please tick 'yes' if you believe an option does have the potential to help achieve an objective, and tick 'no' if you think an option will not help achieve an objective.

Objective	Option 1		Option 3		Option 5A	
	Yes	No	Yes	No	Yes	No
Improve capacity of the A27 whilst supporting local planning authorities to manage the impact of planned growth						
Reduce congestion and travel times and improve journey time reliability along the A27						
Improve the safety of travellers along the A27 and across the wider local road network						
Improve accessibility for all users to local services and facilities						
Deliver a scheme that minimises environmental impact and seeks to protect and enhance the quality of the surrounding environment through its high quality design						
Respect the South Downs National Park and its special qualities						

B2. Please tell us which option(s) you support for improving the A27 at Arundel and explain the reasons for your choice below.

Option	Please tick the option(s) you support
Option 1	
Option 3	
Option 5A	
None of these options, but there are issues on the A27 at Arundel which need to be solved	
No option; nothing should be done to improve the A27 at Arundel	

Please explain your reason(s) below:

B3. Thinking about your response to **Question B2 only**, please say if you have any outstanding concerns that are not sufficiently addressed in your preferred option for the A27 at Arundel.

If you selected more than one option, please tell us which option you are referring to:

	Very concerned	Slightly concerned	Not concerned	Don't know	Not applicable
Capacity to accommodate future growth					
Impact on congestion/journey time					
Impact on routes used by people walking, cycling and horse riding and division/severance caused by the A27					
Impact on noise, air or light pollution					
Impact on landscape and scenery including Arundel, the South Downs National Park, Arun flood plain and Ancient Woodland					
Impact on historic properties including Arundel Castle and Tortington Priory					
Impact on residential properties					
Impact on local businesses					
Impact on road safety					
Traffic avoiding congestion by rat-running					
Connections to other parts of the region					
Impact on likelihood of coastal and river flooding					
Impact on biodiversity/ecology					
Disruption during construction					

Other concerns (please explain):

B4. Do you have any other comments on the options?

Please provide your comments below. Use an extra sheet of paper if required, but please indicate which option you are referring to.

Option	Comments
Option 1	
Option 3	
Option 5A	

B5. Having read the brochure, and taking into account the constraints and past study conclusions, please share your views on any alternative improvements we should consider that would meet the scheme objectives.

B6. How do you think we can improve provision for people who wish to walk, cycle and horse ride as part of the scheme?

Option	Comments
Option 1	
Option 3	
Option 5A	

General comments:

B7. Do you have any other comments on the proposed scheme?
