A27 Worthing and Lancing improvements scheme

Options consultation

We're consulting on three options to make journeys safer and reduce congestion on the A27 between Worthing and Lancing and we want to hear your views.

On our webpage you can view scheme details and design drawings which show the options we're consulting on. You can also fill in and submit a feedback form.

Just visit <https://nationalhighways.co.uk/our-roads/south-east/a27-worthing-and-lancing-improvements/> or scan the below QR code with your smartphone.

If you need printed or accessible copies of our consultation materials including the feedback form, or if you have any questions about the scheme, please get in touch with us using the details below.
