

The preferred route

Chybucca Junction
 New bridge at Chybucca taking the B3284 over the new dual carriageway, with west facing slip roads connecting to the new dual carriageway

Pennycomequick
 Bridge under dual carriageway to maintain local connectivity

Carland Cross
 New section of local road to maintain connectivity

Carland Cross Junction
 New junction built on 2 levels, maintaining connections to A39

Chiverton Cross Junction
 New junction built on 2 levels located north east of the existing roundabout, maintaining connections to A390 (Truro), A3075 (Newquay), B3277 (St Agnes) and local services. The old roundabout would be removed

Tresawsen - Allet Road
 New bridge under dual carriageway to maintain local connectivity

Twobarrows Bridge
 Existing bridge re-used for dual carriageway

Tolgroggan Farm
 Bridge over dual carriageway to maintain local access to farm and footpath
