

A358 Taunton to Southfields Dualling Scheme

Links to the Preliminary Environmental Impact Report (PEI Report)

Note: As of Friday 28 June 2024, the virtual consultation room - which was used to host the full Preliminary Environmental Information Report - was turned off. If you require a copy of the Preliminary Environmental Information Report please email the project team on a358tauntontosouthfields@nationalhighways.co.uk and they will provide you with an electronic copy. The links below will not work beyond 28 June 2024.

Individual chapters of the PEI Report	https://a358-taunton-to-southfields.virtual-engage.com/content?search=Chapter
PEI Report appendices	https://a358-taunton-to-southfields.virtual-engage.com/content?search=Appendix
Figures to accompany the PEI Report	https://a358-taunton-to-southfields.virtual-engage.com/content?search=FIGURE

Note: Some of the appendices and accompanying figures in the PEI Report are large files, including detailed maps and drawings.

If you are having trouble viewing these by clicking on the links, please give them a couple of minutes to load, or try downloading them to your computer. If you need any further assistance, please don't hesitate to contact the project team by emailing: A358tauntontosouthfields@highwaysengland.co.uk
