The design of Cowley junction

During our public consultation in autumn 2019, you raised concerns about safety and rat running as a result of the proposed Cowley junction.

You were worried that there would be an increase in traffic and rat running on Cowley Lane, which is a narrow, single-lane road. You were also worried that an increase in traffic would cause disruption in Cowley village.

As a result, we've redesigned the junction to prevent vehicles from accessing Cowley Lane.

Access would, however, be retained along Cowley Lane for local properties, as well as for walkers, cyclists and horse riders, including disabled users.
