Under Section 47 of the Planning Act 2008, we are required to consult with the local community on Nationally Significant Infrastructure Projects of which M25 junction 28 improvement scheme is one. The consultation response form is an important part of the consultation process as listed in the Statement of Community Consultation. Following the consultation period, we will produce a consultation report to summarise the views and comments received and outline how they have been taken into account in developing the scheme further. We will send this report to the Planning Inspectorate as part of the Development Consent Order submission which is planned for autumn 2019.

The information you provide will be kept in a secure environment only accessible by Highways England and the specific contractor(s) working with us on this project. Your personal information will not be shared with any other individuals or organisations, beyond the provisions set out in the Freedom of Information Act 2000 and Environmental Regulations Act 2004. The information you submit will only be used in support of the purpose specified in this survey. Personal details are collected only to ensure entries are not duplicated and to contact correspondents if necessary. All personal details will be deleted at the end of the survey analysis period.

Data protection and you

On 25 May 2018, the General Data Protection Regulations (GDPR) came into force. This legislation requires Highways England to explain to consultees, stakeholders and customers how their personal data will be used and stored.

Highways England is permitted under the Government's Consultation Principles, the Planning Act 2008 and the Highways Act 1980 to collect personal data in the development of proposed schemes.

Personal data collected for the M25 junction 28 improvement scheme will be processed and retained by Highways England and its appointed contractors until the scheme has been completed.

Under the GDPR regulations you have the right to request the following information from us:

- Right of access to the data (Subject Access Request);
- Right for the rectification of errors;
- Right to erasure of personal data – this is not an absolute right under the legislation and
- Right to restrict processing or to object to processing the right to data portability.

If, at any point, Highways England plans to process the personal data we hold for a purpose other than that for which it was originally collected, we will provide you with information about what that other purpose is. This will be done prior to any further processing taking place. The extra information will include any relevant further information as referred to above, including the right to object to that further processing.

You have the right to lodge a complaint with the supervisory authority, the Information Commissioners Office.

If you'd like more information about how we manage data, or a copy of our privacy notice, please contact DataProtectionAdvice@Highwaysengland.co.uk

If you need help accessing this or any other Highways England information, please call **0300 123 5000** and we will help you.

Thank you for taking the time to share your views with us.
