

Lower Thames Crossing Consultation questionnaire

Highways England is consulting on proposals for a Lower Thames Crossing – a new road crossing of the River Thames connecting Kent and Essex.

A new crossing is needed to reduce congestion at the existing Dartford crossing and to provide free-flowing north-south capacity. Unlocking economic growth and supporting the development of new homes and jobs in the region is also a priority.

Following a series of studies and a public consultation in 2013, the Government commissioned Highways England to carry out a more detailed assessment of two location options. These are shown on the map, at the site of the current crossing, known as Location A, or a new crossing further east, known as Location C.

We have completed our assessment and are seeking your views on our proposals. Route options are shown on the map to the right.

Have your say

Please get involved and tell us your views before consultation closes on **24 March 2016**. We will review the responses and report our final recommendation to the Department for Transport. The Government is expected to decide on the location, route and type of crossing later this year.

Further information and how to respond

We recommend that you read our booklet *Lower Thames Crossing, Route Consultation 2016* before completing this questionnaire. We are also holding a series of events where our team will be available to answer your questions.

You can complete this questionnaire online at www.lower-thames-crossing.co.uk You can also complete this questionnaire online at our events.

Please tick the box(es) as appropriate and write your responses clearly in black ink within the appropriate sections. If your response is too large to fit into the boxes, please attach additional evidence. If you do so, please make it clear which questions you are answering and number any additional pages you send. Send your completed questionnaire free of charge to our address below:
